COWSPIRACY: The Sustainability Secret is a groundbreaking feature-length environmental documentary following an intrepid filmmaker as he uncovers the most destructive industry facing the planet today – and investigates why the world's leading environmental organizations are too afraid to talk about it.

As eye-opening as *Blackfish* and as inspiring as *An Inconvenient Truth*, this shocking yet humorous documentary reveals the absolutely devastating environmental impact large-scale factory farming has on our planet.

Leilani Farm Sanctuary of Haiku is an all-volunteer non-profit organization dedicated to providing care for rescued animals, humane education to the community, and a model of compassionate living.
